

DEAR LEXI,

Just a note of appreciation- To thank you so much with your assistance on the sale of my condo in BOSTON.....As a first time seller- you made the transition more than easy...I had no clue and you took care of everything for me and I do mean everything!! In fact after the inheritance of this big old house in New Bedford.....I could no longer stay in my little one bedroom condo on Queensberry Court...My unit sold just before this so called recession because of you, although absent I did not need to place my trust anywhere else ...HELLO.. YOU EVEN CLOSED FOR ME!! (Without my presence because the puppy couldn't be there and we didn't want to leave him alone)So what else can I say but Thank You againI highly recommend you to anyone that's in the market to buy or sell.... And I will refer you to all my friends....

Thank you again...Joe DeVito, Fernando, & Piccolo..
